

# SAVE MONEY & WORK SMARTER

With Call Business you no longer pay for getting calls to Money Penny or for Money Penny putting calls through to you - AND you save money on your outbound calls. We call this one a bit of a “no brainer” – we’re sure you’ll agree!

## Call Business

Save money on your outbound calls, receive a free 0800 number AND have Money Penny handle your overflow calls.

### With Call Business you will:

- ✓ Receive a free 0800 number to divert your calls to Money Penny - so no more divert charges
- ✓ Save up to 70% on your current telephone call charge
- ✓ Have easy access to user-friendly call management reports
- ✓ Explore options for free inter-office calls without investment in VOIP technology
- ✓ Receive optional e-alerts when costly premium numbers are dialled
- ✓ Benefit from having your calls patched through to you for free
