

Call Conferencing from Money Penny is a simple and convenient 'pay as you go' service, which allows up to 20 people to hold a voice conferencing call anytime, anywhere – without the need for specialist equipment, complex pre-registration or a degree in telephony

Call Conferencing

Travel less meet more...

With Call Conferencing you will:

- Have no expensive capital outlay or large monthly subscription
- Have no specialist training - can be accessed by any UK landline or mobile
- Get overseas callers connected with the help of your Money Penny PA
- Not need to pre-book
- Be able to hold a conference when it suits you

How it works...

Simply inform the relevant parties of the date and time of your conference call, together with your unique PIN code and dial-in number (provided upon subscription).

Key Facts:

- Save time, cut costs: conference over the phone when you need (and it's easy...)
- No set-up charges or minimum contract

Costs:

A one-off annual fee of just £25

Calls are charged at 10p per minute, per connected caller
